Mediators Beyond Borders International

Mediators Beyond Borders International (MBBI) is an international impact organization that, alongside global partners, has been increasing local capacities to **heal from violent conflict**, reconciling torn communities, and preventing and transforming conflict around the world for 15 years. In addition to current projects in places like Cameroon, Canada, Kenya, Sierra Leone, Southern Africa, Trinidad & Tobago, and Ukraine MBBI:

- Launched the Global Peace Training Institute (GPTI) to support implementation of UN Security Council Resolution 1325 and General Assembly Resolution 65/283
- Has Consultative Status with the UN Economic and Social Council
- Is an Official Observer for the UN Framework Convention on Climate Change
- Created a state-of-the-art Trauma Informed Peacebuilding Development Assistance curriculum and
- Is a member of the UN Global Compact

Serving Global Partners

Recognizing that the only lasting peace is the one built by those involved in the conflict, MBBI advances the objectives of its 130+ global partners by delivering and enhancing skills for:

Commonwealth

Proud Service Partner of Rotary International

Several years ago, Rotary International (RI) realized that global conflict was an impediment to their ability to eradicate Polio. MBBI serves one of eight service partners selected to help carry out their global mission.

Exclusive Training Programs

Providing customized, experiential, and context specific training to Rotarians members and community leaders to increase conflict literacy and efficacy.

Global Grants Programs

Codesigning conflict sensitive community assessments with local partners ensures safe and sustainable implementation of investments..

MBBI—Rotary Partnership

“Mediators Beyond Borders is lighting a candle rather than cursing the dark...”

- Ravi Ravindran

Past President Rotary International
